How to Register for MyMathLab Global and Enrol in Your Course

Your instructor has set up a MyMathLab Global course for you.

The Course name is: **OPMT 5515 - Quantitative Methods for Managers**

It is based on the following book: **Barrow: Statistics for Economics, Accounting and Business Studies, 6e**

Your Course ID is: **XL00-Q1MR-601Z-5MU4**

In order to join this course, you will need to:

1. Register for MyMathLab Global
2. Enrol in your instructor's course

To register, you will need a *student access code* and a *course ID*.

If you don't have a kit with a student access code, you can purchase access online at <http://www.mymathlab.com/global> - you will have the choice to purchase access with or without a full eText.

1. Registering for MyMathLab Global

1. Go to the MyMathLab Global home page at <http://www.mymathlab.com/global> and click the Student button, in the Register section.
2. Enter your Course ID XL00-Q1MR-601Z-5MU4 and click Next.
3. Choose to register an access code (came with your new book) or purchase access if you don't have an access kit or code.
4. Click the button to proceed to registration.
5. Follow the instructions to create your account.
6. Click the link to login. You'll be directed to <http://www.mymathlab.com/global>, where you can enter the user name and password you just created. Click the login button. The first time you enter the site you'll be asked to enter your Course ID.

Be sure to click on the Browser Check link in the upper right of the screen the first time you login and anytime you use a new computer. You will be alerted to any new software required for your course, such as Flash. You will need administrative rights to install any new software on your computer.

2. Enrolling in your Instructor's course

After registering, log in to MyMathLab Global with your username and password. To enrol in the appropriate course, use the Course ID for your instructor's course.

IMPORTANT: The Course ID for your course is: XL00-Q1MR-601Z-5MU4
